

Privacy Policy

We are pleased that you are visiting our website at www.folder.parts. Data protection and data security when using our website and Software as a Service Storage Visualization Solution ("SaaS") to visualize the disk usage on your computer are very important to us. We would therefore like to inform you which of your personal data we collect when you visit our website and use our SaaS and for what purposes it is used.

Who is responsible?

The person responsible in the sense of Israel's Privacy Protection Law ("PPL") and the EU's General Data Protection Regulation ("GDPR") is Folder.parts of Hashuk Street 23 Tel Aviv ("Folder.parts", "we", "us", or "our").

If you have any questions about this policy or our data protection practices, please contact us using folderprts@gmail.com.

Principles of data processing

a) *Personal data*

Personal data is any information relating to an identified or identifiable natural person.

This includes, for example, information such as your name, age, address, telephone number, date of birth, e-mail address, IP address or user behavior.

b) *Processing*

The processing of personal data (e.g. collection, retrieval, use, storage or transmission) always requires a legal basis.

c) *Legal basis*

In accordance with the PPL and the GDPR, we have to have at least one of the following legal bases to process your Personal Data: i) you have given your consent, ii) the data is necessary for the fulfillment of a contract / pre-contractual measures, iii) the data is necessary for the fulfillment of a legal obligation, or iv) the data is necessary to protect our legitimate interests, provided that your interests are not overridden.

d) *Retention*

Processed personal data will be deleted as soon as the purpose of the processing has been achieved and there are no longer any legally required retention obligations.

Data we collect

a) *Provision and use of the website*

When you call up and use our website, we collect the personal data that your browser automatically transmits to our server.

This is technically necessary for us to display our website and to ensure its stability and security. In this sense, we collect the following data: i) IP address of the requesting computer, ii) Date and time of access, iii) name and URL of the file accessed, iv) website from which the access was made (referrer URL), v) browser used and, if applicable, the operating system of your computer as well as the name of your access provider.

The legal basis is our legitimate interest.

b) *Hosting*

We use the hosting services of AWS ([Amazon](https://aws.amazon.com/)) for the purpose of hosting and displaying our website.

AWS does so on the basis of processing on our behalf, and that also means that all data collected on our website is processed on AWS's S3 servers. The legal basis for processing is our legitimate interest.

c) *Economic analyses and market research*

Privacy Policy

For business reasons, we analyze the data we have on web and server traffic patterns, website interactions, browsing behavior etc.

This of course excludes any data present on disks and drives you ask us to visualize.

The analyses serve us alone and are not disclosed externally and processed using anonymous analyses with summarized and or anonymized values.

For this purpose we use [Google Analytics](#). The legal basis is our legitimate interest and your consent.

For further information, please refer to our Cookie Policy.

d) Google Fonts

We use Google Fonts from [Google](#) on our website to display external fonts.

To enable the display of certain fonts on our website, a connection to the Google server in the USA is established when our website is called up.

Through the connection to Google, which is established when our website is called up, Google can determine from which website your request originates and to which IP address the display of the font should be transmitted.

This constitutes a legitimate interest.

e) Cookies

We use so-called cookies on our website.

Cookies are pieces of information that are transmitted from our web server or third-party web servers to your web browser and stored there for later retrieval.

Cookies may be small files or other types of information storage.

There are different types of cookies: i) Essential Cookies. Essential cookies are cookies to provide a correct and user-friendly website; and ii) Non-essential Cookies. Non-essential Cookies are any cookies that do not fall within the definition of essential cookies, such as cookies used to analyze your behavior on a website ("analytical" cookies) or cookies used to display advertisements to you ("advertising" cookies).

As set out in the PPL and the EU's Privacy and Electronic Communications Directive ("PECD"), we need to obtain consent for the use of Non-essential Cookies.

For further information on the cookies we use, please refer to our Cookie Policy.

The legal basis for processing is our legitimate interest and your consent.

f) Cookie consent

Our website uses a cookie consent tool to obtain your consent to the storage of cookies and to document this consent. When you enter our website, the following Personal Data is transferred to us: i) Your consent(s) or revocation of your consent(s); ii) Your IP address; iii) Information about your browser; iv) Information about your device; v) Time of your visit to our website. The basis for processing is our legitimate interest.

g) Contacting Us

We offer you the opportunity to contact us using various methods.

We collect the data you submit such as your name, email address, telephone number and your message in order to process your enquiry and respond to you.

The legal basis is both your consent and contract.

h) Contractual Services

We process the Personal Data involved when you enter into a contract with us in order to be able to provide our contractual services.

This includes in particular our support, correspondence with you, invoicing, fulfillment of our contractual, accounting and tax obligations.

Accordingly, the data is processed on the basis of fulfilling our contractual obligations and our legal obligations.

Privacy Policy

i) When using our SaaS

When you use our SaaS we may also process Personal Data.

The Personal Data processed by us depends on how you are using your SaaS.

In this sense you have full control over how you are using our services.

As this service is hosted locally on our web server, no data is transferred to third parties.

As mentioned above, we process the Personal Data involved in your use of our SaaS ("Service Data") in order to be able to provide our services.

We recognize that you own your Service Data and provide you with complete control of your Service Data.

Further and in accordance with the PPL and the GDPR, we act as your Data Processor.

Where we process Service Data as Data Processor or in other words on behalf of you, we will process the Service Data involved in your use of our SaaS in accordance with your instructions and shall use it only for the purposes agreed between you and us.

For the purpose of providing our SaaS all Service Data processed by us will be processed using AWS ([Amazon](#)) as a sub-processor and take appropriate legal precautions and corresponding technical and organizational measures to ensure the protection of your Service Data.

Data Security

We undertake to protect your privacy and to treat your Personal Data and Service Data confidentiality.

In order to prevent manipulation or loss or misuse of your data stored with us, we take extensive technical and organizational security precautions which are regularly reviewed and adapted to technological progress.

These include, among other things, the use of recognised encryption procedures (SSL or TLS).

However, we would like to point out that, due to the structure of the Internet, it is possible that the rules of data protection and the above-mentioned security measures are not observed by other persons or institutions that are not in our area of responsibility.

We have no technical influence on this. It is the user's responsibility to protect the data he or she provides against misuse by encrypting it or in any other way.

Advertising

We would like to show you interesting advertising outside of our website and use various third-party tools and cookies for this purpose.

These collect and process information about your activities on our website - for example, which products you are interested in or which pages you visit. By knowing what you are looking for and how you use our website, we can adapt our advertising to your needs. And thus increase the likelihood that you will also be shown suitable and interesting advertising outside our website.

The legal bases for processing are our legitimate interest and your consent in case of cookies.

International transfers

We may transfer your Personal Data to other companies as necessary for the purposes described in this Privacy Policy.

In order to provide adequate protection for your Personal Data when it is transferred, we have contractual arrangements regarding such transfers.

We take all reasonable technical and organizational measures to protect the Personal Data we transfer.

Privacy Policy

How we may share your Personal Data

We may share your Personal Data with our Business Partners for the purposes described in this Privacy Policy, including (but not limited to) conducting the services you request, or customizing our business to better meet your needs.

We share your Personal Data only with Business Partners who agree to protect and use your Personal Data solely for the purposes specified by us.

We may also disclose your Personal Data for any purpose with your consent or for law enforcement, fraud prevention or other legal actions as required by law or regulation, or if we reasonably believe that we must protect us, our customers or other business interests.

Except as described above of which you will be informed in advance, we will not disclose your Personal Data.

What we do not do

- We do not request Personal Data from minors and children;
- We do not access your Service Data;
- We do not use Automated decision-making including profiling; and
- We do not sell your Personal Data.

Privacy Rights

Under the PPL, you have the following rights:

- The right to request for information,
- The right to inspect information,
- The right to amendment of information,
- The right to lodge a complaint,
- The right to opt out from marketing,
- The right to be informed on how your data is processed,
- The right to have information relating to marketing deleted

Under the GDPR, you can exercise the following rights:

- *Right to information*
- *Right to rectification*
- *Right to deletion*
- *Right to data portability*
- *Right of objection*
- *Right to withdraw consent*
- *Right to complain to a supervisory authority*
- *Right not to be subject to a decision based solely on automated processing.*

If you have any questions about the nature of the Personal Data we hold about you, or if you wish to exercise any of your rights, please contact us.

Updating your information and withdrawing your consent

If you believe that the information we hold about you is inaccurate or that we are no longer entitled to use it and want to request its rectification, deletion, or object to its processing or want to withdraw any consents you have given us, please contact us.

Access Request

In the event that you wish to make a Data Subject Access Request, you may inform us in writing of the same.

We will respond to requests regarding access and correction as soon as reasonably

Privacy Policy

possible.

Should we not be able to respond to your request within thirty (30) days, we will tell you why and when we will be able to respond to your request.

If we are unable to provide you with any Personal Data or to make a correction requested by you, we will tell you why.

Complaint to a supervisory authority

You have the right to complain about our processing of Personal Data to a supervisory authority responsible for data protection.

The supervisory authority in Israel is: [The Privacy Protection Authority](#).

However, we would appreciate the opportunity to address your concerns before you contact the Privacy Protection Authority or any other supervisory authority.

Changes

We may update this Privacy Policy from time to time.

If we make changes to this Privacy Policy, we will revise the effective date.

This Privacy Policy was last updated on Monday, 26th of February, 2024.

Questions

If you feel that the above is not sufficient or if you have any queries as regards the collection, processing or use of your information we are looking forward to hearing from you.

We will make every effort to reply as soon as possible and take into consideration any suggestions from your end.
